Plusieurs pourparlers ont eu lieu depuis entre les représentants des chemins de fer nationaux canadiens et ce ministère. Des propositions ont été soumises par les premiers pour modifier les termes de l'arrêté en conseil, mais elles n'ont pas été jusqu'à présent, jugées satisfaisantes par le ministre. Après la réception de votre lettre du 18 courant, j'ai de nouveau communiqué avec les Chemins de fer nationaux canadiens et M. Mitchell, le vice-président, était ici il y a un ou deux jours. Nous allons essayer de faire un arrangement satisfaisant pour le transfert de ces vaisseaux le plus tôt possible.

Je demeure, monsieur,

votre obéissant serviteur,

A. JOHNSTON,

*Sous-ministre de la Marine.*

L'Auditeur général, Ottawa.

**Payments for breaking ice in Thunder Bay  
Charged to Construction of Lights.**

AUDIT OFFICE, OTTAWA, October 1, 1919.

SIR,—I find on examination of the cheques issued under your Letter of Credit during the fiscal year ended March 31, 1919, that the following were charged to the appropriation for "Construction of lighthouses and aids to navigation including apparatus, submarine signals, and providing suitable boats for carrying on construction works."

A 26 Canadian Towing and Wrecking Co.,	4,500 00
A15327 Canadian Towing and Wrecking Co.,	14,250 00
A18713 Canadian Towing and Wrecking Co.,	12,000 00
A 1251 Department of Public Works...	1,450 00

The vouchers sent me in support of these payments are for breaking ice in Thunder Bay, St. Lawrence River and Yarmouth, Nova Scotia, and it seems to me that an expenditure for breaking ice, even if the process is for the purpose of facilitating navigation at the points in question, is not a proper charge on the appropriation for construction of lighthouses and aids to navigation. The word "construction" obviously applies to aids to navigation as well as to lighthouses.

There is an appropriation in the Supply Bill of 1918-19 of \$40,000, for breaking ice in Thunder Bay and at other points deemed necessary for open navigation, but it seems the amount provided was not sufficient to meet in full the claims presented to the Department and coming in course of payment during the fiscal year, so the Governor in Council on the recommendation of the Minister of Marine and Fisheries, authorized the payment of the deficit from the appropriation for Construction of lighthouses and aids to navigation.

To me it is quite apparent that Parliament in making provision for Construction of lighthouses and aids to navigation did not contemplate or intend that any portion of the amount voted would be used for breaking ice, more particularly as special provision was made in the Supply Bill for this purpose at the points in question.

When the Department found that the amount voted—\$40,000—was not sufficient, application should have been made for a supplementary vote, not for authority to charge the amount necessary to a vote provided by Parliament for a wholly different purpose.

I am, sir, your obedient servant,

E. D. SUTHERLAND,  
A. G.

The Deputy Minister, Marine and Fisheries.

**Steamer Aranmore Operated by Boston and  
Yarmouth Steamship Co.**

AUDIT OFFICE, OTTAWA, November, 5, 1919.

SIR,—During the fiscal year ended March 31, 1919, the Boston and Yarmouth Steamship Company operating the Government steamer *Aranmore* between Yarmouth and Boston deposited to the credit of the Receiver General as refunds of expenditure three items amounting to \$25,251.50.

I should like to have a full explanation in regard to this transaction and a statement in detail showing

**Paiements pour le cassage de la glace dans la  
baie du Tonnerre imputés à la Construction  
des phares.**

BUREAU DE L'AUDITEUR,

OTTAWA, 1er octobre 1919.

MONSIEUR,—Je trouve, en examinant les chèques émis durant l'année fiscale terminée le 31 mars 1919 en vertu de votre lettre de crédit, que les suivants ont été imputés aux subventions de la «Construction des phares et aides à la navigation, comprenant les appareils, les signaux sous-marins, et des bateaux convenables pour l'exécution des travaux de construction.»

A 25 Canadian Towing and Wrecking Co.,	4,500 00
A 15,327 Canadian Towing and Wrecking Co.,	14,250 00
A 18,713 Canadian Towing and Wrecking Co.,	12,000 00
A 1,251 Ministère des travaux publics	1,450 00

Les pièces justificatives qui m'ont été envoyées pour justifier ces paiements sont pour le cassage de la glace dans la baie du Tonnerre, dans le fleuve St-Laurent et à Yarmouth, Nouvelle-Ecosse, et il me semble qu'une dépense encourue pour casser la glace, même si c'est pour faciliter la navigation aux endroits indiqués, ne doit pas convenablement être imputée au compte de la Construction des phares et aides à la navigation. Le mot «Construction» s'applique évidemment aux aides à la navigation autant qu'aux phares.

Il y a une subvention dans le bill des subsides de 1918-19 de \$40,000 pour le cassage de la glace, jugé utile à la bonne navigation dans la baie du Tonnerre et autres endroits; mais il appert que le montant prévu était insuffisant pour couvrir entièrement les comptes présentés durant l'année fiscale. C'est pourquoi le Gouverneur en conseil, sur recommandation du Ministre de la Marine et des Pêcheries a autorisé le paiement de ce déficit par la subvention à la Construction des phares et aides à la navigation.

Pour moi, il est parfaitement clair que les Parlement en accordant des subventions pour la Construction de phares et d'aides à la navigation n'avait pas l'intention ni le désir qu'une partie quelconque de ces montants votés serait employée au cassage de la glace, d'autant plus qu'une subvention spéciale était portée au bill des subsides pour ce cassage aux endroits en question.

Quand le ministère s'aperçut que le montant voté de \$40,000 était insuffisant, une demande de crédit additionnel aurait dû être faite au lieu d'autorisation de prendre le montant nécessaire sur le compte d'un crédit voté par le Parlement pour une toute autre fin.

Je demeure, monsieur,  
votre obéissant serviteur,  
E. D. SUTHERLAND.

Le sous-ministre, Marine et Pêcheries.

BUREAU DE L'AUDITEUR,

OTTAWA, 5 novembre 1919.

MONSIEUR,—Durant l'année fiscale terminée le 31 mars 1919, la Boston and Yarmouth Steamship Company ayant affrété le steamer du gouvernement *Aranmore* allant de Yarmouth à Boston et retour a déposé au crédit du Récepteur général, à titre de remboursements de dépenses trois items se montant à \$25,251.50.

J'aimerais avoir une explication complète au sujet de cette transaction et un état détaillé montrant que les montants déposés sont bien les réels

**Re sale of C.G.S. Princess.**

AUDITOR GENERAL'S OFFICE,

February 4, 1919.

SIR,—I beg to bring to your notice an Order of the Governor in Council of January 30th last, authorizing the acceptance of a tender of \$46,555 for the Government Steamer *Princess* which was no "longer required by the Crown" and for the purchase of which tenders had been asked by public advertisement.

The tender accepted, that of J. A. Farquhar, Halifax, N.S., was the highest of six received by the Department, but according to the Order in Council "subsequent to the opening of the above tenders an offer of \$61,000 was received from La Compagnie Générale d'Entreprises Publiques, Lévis, Qué., conditional on the Department affording permission to transfer the vessel to an allied flag if necessary."

This latter tender was not accepted for the reason as stated in the Order in Council "that it was not received within the specified time."

If the acceptance of Mr. Farquhar's tender involved a possible loss to the Canadian Treasury of some \$14,000, I should like to be informed if the Department was under obligation in compliance with the terms of its advertisement calling for tenders for the sale of the steamer *Princess* to accept the highest tender had it been received within the specified time and which was in all other respects regular.

I am, Sir, your obedient servant,

E. D. SUTHERLAND, A.-S. A.G.

G. J. Desbarrats, Esq., Deputy Minister,  
Naval Service, Ottawa.

DEPARTMENT OF THE NAVAL SERVICE.

OTTAWA, February 6, 1919.

SIR,—With reference to your letter of February 4th, relative to the Order-in-Council authorizing the sale of the Government steamer *Princess*, I have to advise you that a tender of \$61,000 received from La Compagnie Générale d'Entreprises Publiques, was received three hours after the advertised time of closing the tenders, and moreover, that the other tenders had been opened previous to its receipt, and the prices known to several persons. If the higher tender had been recommended for acceptance, the Department would have been open to the charge of collusion with the firm whose tender was late in being received. Seeing that the vessel had been advertised for sale for about a month there would appear to be no good reason why this tender could not have been put in in ample time to be considered with the rest.

The Department, in common with other Departments, always reserves the right to reject any or every tender received for any sale or purchase. It is seldom that this right is exercised except when the prices received are manifestly inadequate in the case of a sale or exorbitant in the case of a purchase. In this case the offer of Captain Farquhar was considered a reasonable price for a vessel of her age, and the recommendation for its acceptance had already been made to the Minister before the other tender was received. All the facts were laid before him and the alternative of rejecting the whole of the tenders and re-advertising the sale was considered. It was felt, however, as there had been genuine competi-

**Re vente du vapeur canadien Princess.**

BUREAU DE L'AUDITEUR, 4 février, 1919.

MONSIEUR,—Je désire attirer votre attention sur un arrêté du gouverneur en conseil du 30 janvier dernier, autorisant l'acceptation d'une soumission de \$46,555 pour le vapeur du gouvernement canadien *Princess*, dont "le gouvernement n'a plus besoin," soumission faite à la suite d'annonces publiques demandant des soumissions pour cet achat.

La soumission acceptée, celle de J. A. Farquhar Halifax, N.-E. était la plus haute des six reçues par le département, mais d'après l'arrêté en conseil susdit "après l'ouverture des soumissions ci-haut mentionnées, une offre de \$61,000 a été reçue de La Compagnie Générale d'Entreprises Publiques, Lévis, Qué., sujette à la condition que le département accorde la permission de transférer le vaisseau à une nation alliée, si nécessaire.

Cette dernière soumission n'a pas été acceptée pour la raison donnée dans l'arrêté en conseil "qu'elle n'a pas été reçue dans les limites du délai spécifié."

Vu que l'acceptation de la soumission de M. Farquhar entraîne une perte possible pour le trésor canadien d'une somme de \$14,000 environ, j'aimerais à savoir si le département était dans l'obligation, d'après les termes de l'annonce publique demandant des soumissions à propos de la vente du vapeur *Princess*, d'accepter la plus haute soumission reçue dans le délai spécifié et régulièrement sous tous les autres rapports.

Je demeure, monsieur, Votre obéissant serviteur

E. D. SUTHERLAND,  
Sous-auditeur général.

DEPARTEMENT DU SERVICE NAVAL, OTTAWA.

6 février, 1919.

MONSIEUR,—Au sujet de votre lettre du 4 février, concernant l'arrêté en conseil autorisant la vente du vapeur du gouvernement canadien "Princess," je dois vous dire qu'une soumission de \$61,000 venant de La Compagnie Générale d'Entreprises Publiques a été reçue *trois heures* après le temps spécifié pour l'ouverture des soumissions, et de plus, que les autres soumissions avaient été ouvertes avant sa réception, et que les prix ont été connus de plusieurs personnes. Si le département avait recommandé d'accepter la plus haute soumission, on aurait pu l'accuser de connivence avec la compagnie dont la soumission est arrivée en retard. Considérant que le vaisseau a été annoncé en vente pendant environ un mois, il ne semble pas y avoir de bonne raison pour que cette soumission n'ait pu être arrivée longtemps avant pour être prise en considération avec les autres.

Le département, comme tous les autres, se réserve toujours le droit de rejeter toutes et chacune des soumissions reçues soit pour un achat ou une vente. Il est rare que ce droit s'applique, si ce n'est lorsque les prix sont manifestement bas dans le cas d'une vente, ou exorbitants dans le cas d'un achat. Dans le cas actuel, l'offre du capitaine Farquhar a été considérée comme un prix raisonnable pour un vaisseau de cet âge, et l'acceptation était déjà recommandée au ministre lorsque l'autre soumission a été reçue. Tous ces faits ont été portés à la connaissance du ministre, et l'on s'est demandé si on devait rejeter toutes les soumissions et annoncer la vente de nouveau. Cependant, il a semblé qu'il y avait eu réellement concours pour la possession du vaisseau et que le prix proposé était raisonnable, et que par consé-

tion for the vessel and as the price it was proposed to accept was a fair price, that it was preferable to abide by the tenders rather than to leave the Department open to the charge that a genuine sale as publicly advertised had been prevented by a firm putting in an irregular tender after the others had been considered, when there was a possibility of the price becoming known. In my opinion there was no leakage in the Department, but the possibility existed and had to be taken into account in making the decision.

### Appointments unauthorized by Civil Service Commission.

AUDITOR GENERAL'S OFFICE,

November 3, 1919.

SIR,—I find on examination of the vouchers sent me in support of expenditure for tidal service during the fiscal year ended March 31, 1919, that salary payments were made to several persons whose appointment to the public service has not been made or approved by the Civil Service Commission.

Also there are increases of salary in respect of employees in connection with life saving stations and fishery protection service in support of which I have not received any certificate from the Commission.

I shall be glad to have your explanation in regard to these matters.

I am, sir, your obedient servant,

E. D. SUTHERLAND,  
Auditor General.

G. J. DESBARATS, Esq.,  
Deputy Minister of the Naval Service,  
Ottawa.

DEPARTMENT OF NAVAL SERVICE,

OTTAWA, December 20, 1919.

SIR,—With reference to your letter of the 3rd November, regarding vouchers sent you in support of expenditure for Tidal Service, and increases in salary for the Life Saving and Fisheries Protection Services, during the fiscal year ended March 31, 1919, I beg to inform you that action has been taken with a view to having the Civil Service Commission approve any appointments or promotions made in the Tidal and Life Saving Services, for the period covered in your letter. Appointments and promotions in the Fisheries Protection Service have been made under authority of *Sec. 38, Chap. 12, S-9 Gro. I.*

The Commission have been requested to notify the Auditor General when their approval of these cases is given.

I am, sir, your obedient servant,

G. J. DESBARATS,  
Deputy Minister.

### Payments in excess of Contract.

AUDITOR GENERAL'S OFFICE,

OTTAWA, December 15, 1919.

SIR,—I beg to bring to your notice a payment of \$864.94 made to Lynchs Limited, Sydney, by cheque 31,225 of the fiscal year ended March 31, 1919.

quant il était préférable de se conformer aux conditions des soumissions plutôt que d'exposer le département à l'accusation d'avoir laissé une soumission irrégulière empêcher une vente honnête, faite dans les conditions des annonces, soumission reçue après la considération des autres, alors que les prix pouvaient avoir été connus. Dans mon opinion, il n'y a pas eu d'indiscrétion dans le département, mais il pouvait y en avoir, et cette possibilité a été prise en considération pour prendre une décision.

Je demeure, monsieur, Votre obéissant serviteur,

G. J. DESBARATS, *Sous-ministre*

### Nominations non autorisées par la Commission du Service civil.

BUREAU DE L'AUDITEUR GÉNÉRAL,

3 novembre 1919.

MONSIEUR,—Je trouve, en examinant les pièces qui me sont envoyées pour justifier les dépenses faites pour le service marégraphique durant l'exercice financier clos le 31 mars 1919, que des salaires ont été payés à des personnes dont la nomination dans le service public n'a pas été faite ni approuvée par la commission du Service civil.

Il y a aussi des augmentations de salaire au sujet des employés des postes de sauvetage et du service de protection des pêcheries pour lesquels je n'ai pas reçu de certificat émis par la commission.

Je serais heureux d'avoir de vous des explications sur ces questions.

Je demeure, Monsieur, Votre obéissant serviteur,

E. D. SUTHERLAND,

Sous-ministre du Service naval,

DÉPARTEMENT DU SERVICE NAVAL.

OTTAWA, 20 décembre 1919.

MONSIEUR,—Au sujet de votre lettre du 3 novembre, concernant les pièces qui vous sont envoyées pour justifier les dépenses faites dans le service marégraphique, et des augmentations de salaire dans les services de Sauvetage et de Protection des pêcheries, durant l'exercice financier clos le 31 mars 1919, je dois vous informer que l'on s'est occupé de faire approuver ces nominations et promotions par la commission du Service civil pour la période mentionnée dans votre lettre. Les nominations et promotions dans le service de Protection des pêcheries ont été faites sous l'autorité de l'article 38, ch. 12, S-9 George V.

La commission a reçu notre demande d'avertir l'auditeur général lorsqu'elle aura approuvée ces cas.

Je demeure, Monsieur, Votre obéissant serviteur,

G. J. DESBARATS,

### Paiements en sus d'un contrat.

BUREAU DE L'AUDITEUR GÉNÉRAL,

OTTAWA, 15 décembre 1919.

MONSIEUR,—Je désire attirer votre attention sur un paiement de \$864.94 fait à Lynchs Limited, Sydney, par le chèque 31,225 durant l'exercice financier clos le 31 mars 1919.

It appears from memoranda attached to the claim of Lynches Limited that the Department allowed the firm an advance of one and a half cents per pound over the contract price for bread supplied various boats of the Naval Service.

This advance has been allowed by the Department in consequence of the increased price of bread subsequent to the signing of the contract.

I shall be obliged if you will inform me on what grounds the Department assumes authority to cancel or vary a contract for the reason that the price of the commodities contracted for had increased during the period it was in force.

Had the prices decreased would the Department have the power of cancellation or change?

I am, sir, your obedient servant,

E. D. SUTHERLAND,  
*Auditor General*

G. J. DESBARATS, Esq.,  
Deputy Minister of the Naval Service,  
Ottawa.

DEPARTMENT OF THE NAVAL SERVICE,  
OTTAWA, December 23, 1919.

SIR.—With reference to your letter of the 15th December relative to payment of \$864.94 made to Messrs. Lynches Limited, Sydney, by cheque No. 31,225, for the fiscal year ending March 31, 1919, I understand that copies of all correspondence in connection with this payment were forwarded for your information by the Chief Accountant of this Department on the 6th instant. That correspondence explains fully the circumstances under which this advance was made.

Contract was originally entered into by Messrs. Lynches Limited on the 25th May, 1916, for a period of 12 months, and was based on cost of raw materials and labour prevailing at that time. Labour and materials increased in cost to such an unprecedented extent, and the Department drew so heavily on the contract, that Messrs. Lynches' Limited solvency was endangered thereby. Appeal was made by them for relief, and in the opinion of my Minister the circumstances warranted the Department granting an increase in the price sufficient to insure that they should suffer no actual loss. It was recognized that if the Department was compelled through the insolvency of this firm or for any other reason to terminate the contract and to again go into the market, it would be called upon to pay a much higher price than was ultimately paid, and at the same time suffer loss of prestige.

Had the circumstances been the reverse of what they were there can be little doubt but that the Department would have secured from the contractor an adjustment of price commensurate with cost.

I am, Sir, your obedient servant,

G. J. DESBARATS,  
*Deputy Minister.*

The Auditor General,  
Auditor General's Office, Ottawa.

**Payments to crew of C.G.S. "33" without Parliamentary authority.**

AUDITOR GENERAL'S OFFICE, OTTAWA,

December 20th 1919.

SIR.—I find on examination of the vouchers sent me in support of expenditure during the fiscal year ended March 31, 1919 charged to the vote for Cold Storage and Transportation of Fresh Fish etc. that the sum of \$605.27 was paid to eleven members of the crew of the Canadian Government Steamer "33", being a payment of one third of the total receipts from the sale of catches of the steamer.

D'après le mémoire attaché à la réclamation de Lynches Limited, il appert que le département a permis à cette maison une avance de 1½ cent par livre en sus du prix fixé par contrat pour le pain fourni aux divers bateaux du service naval.

Cette avance a été permise par le département par suite de l'augmentation du prix du pain après la signature du contrat.

Je vous serais obligé de me dire les raisons sur lesquelles le département s'est basé pour annuler ou changer un contrat sous prétexte que le prix de la denrée sous contrat a augmenté pendant la période de l'exécution du contrat.

Si les prix avaient diminué, le département aurait-il eu le pouvoir d'annuler ou de changer le contrat?

Je demeure, Monsieur, Votre obéissant serviteur

E. D. SUTHERLAND,  
G. J. DESBARATS, *Auditeur général*  
Sous-ministre du Service naval,  
Ottawa, Ont.

DEPARTMENT DU SERVICE NAVAL,  
OTTAWA, 23 décembre 1919.

MONSIEUR.—En réponse à votre lettre du 15 décembre relativement au paiement de \$864.94 fait à Messieurs Lynches à responsabilité limitée, Sydney, par chèque N° 31,225, pour l'exercice finissant le 31 mars 1919, je comprends que copie de toute la correspondance, relativement à ce paiement, vous a été envoyée, pour votre information, le 6 courant par le comptable en chef de ce département. Cette correspondance explique entièrement les circonstances dans lesquelles cette avance a été faite.

Originellement le contrat fut entré au compte de Messieurs Lynches à responsabilité limitée le 25 mai 1916, pour une période de 12 mois, et il était basé sur le coût des matières brutes et du travail en cours à ce moment. Le coût du travail et des matériaux a augmenté d'une façon sans précédent, et le département a tellement exigé du contrat que la solvabilité de Messieurs Lynches à responsabilité limitée a été mise en danger. Un appel de secours a été fait, et dans l'opinion de mon ministre les circonstances justifiaient le département d'accorder une augmentation de prix suffisante pour les garantir contre toutes pertes réelles. On a constaté que si le département était obligé, à cause de l'insolvabilité de cette maison ou pour toutes autres raisons, de terminer le contrat et retourner aux enchères, qu'il aurait à payer un prix beaucoup plus élevé que celui définitivement payé sans compter la perte de prestige.

Si les circonstances eussent été le contraire des présentes il est fort probable que le département aurait exigé de l'entrepreneur un rajustement de prix proportionné au coûtant.

Je demeure, monsieur, votre obéissant serviteur,

G. J. DESBARATS,  
L'Auditeur général, *Sous-ministre.*

**Paiements à l'équipage du vapeur canadien "33", sans l'autorisation du Parlement.**

BUREAU DE L'AUDITEUR GÉNÉRAL, OTTAWA,

20 déc. 1919.

MONSIEUR.—Je trouve en examinant les pièces qui m'ont été envoyées pour justifier les dépenses faites durant l'exercice financier clos le 31 mars 1919 et imputables au crédit pour entrepôts frigorifiques et transport de poisson frais, etc., que la somme de \$605.27 a été payée à 11 membres de l'équipage du vapeur du gouvernement canadien 33, en paiement d'un tiers des recettes totales réalisées par la vente des prises de ce bateau.

## SESSIONAL PAPER No. 1

I shall be obliged if you let me know your authority for having made this payment. I do not think the Department has authority to make an agreement of this nature in the absence of special Parliamentary provision.

I am, Sir, Your obedient servant,  
E. D. SUTHERLAND, A.G.  
G. J. Desbarats, Esq.,  
Deputy Minister,  
Naval Service Department,  
Ottawa.

Je vous serais obligé de me dire en vertu de quelle autorité ce paiement a été fait. Je ne crois pas que le département puisse faire une convention de cette nature en l'absence d'une autorisation spéciale du Parlement.

Je demeure, Monsieur, votre obéissant serviteur.

Sous-Ministre,

DEPARTMENT OF THE NAVAL SERVICE,  
OTTAWA, December 24, 1919.

SIR,—I am in receipt of your letter of the 20th inst., with reference to the payment to the crew of this department's fishing steamer *Thirty-three* of one-third of the total receipts from the sale of the catches during the season of 1918.

The agreement to pay such a share to the crew was first made in 1916, with the approval and by the authority of the then Minister of this Department for the reasons set forth in the following:

"That as the drift net fishing operations to be undertaken in the coming season for the purpose of locating herring schools off shore and demonstrating the commercial possibilities of drifting will be much more laborious than those carried on last year for scientific purposes, and will involve night and day work on the part of the whole crew throughout the season, and as the success or failure of the work will depend on the amount of interest and energy put into it by the crew, one-third of the proceeds of sales during the season be divided amongst the crew, in addition to their wages, as an inducement to them to put their whole heart into the work."

The steamer also operated under this arrangement during the seasons of 1918 and 1919. She did not operate in 1917.

I am, Sir, your obedient servant,  
G. J. DESBARATS,  
Deputy Minister of the Naval Service.

E. D. Sutherland, Esq.,  
Auditor General, Ottawa.

### Re contract with Rickey Bros. for construction of life boat for Toronto Life Saving Station.

AUDITOR GENERAL'S OFFICE, OTTAWA,  
December 20th, 1919.

SIR,—I beg to bring to your notice a payment of \$750, made to A. Matthews Limited, Toronto by cheque 24,124 of the fiscal year ended March 31, 1919 for copper tanks contracted for by Rickey Bros. in connection with a life saving boat which the latter had under construction for the Department.

It appears the Rickey Bros. failed to carry out their contract and the Department assumed responsibility for the tanks.

The claim rendered by Matthews is for \$1,050, less \$300, received on account from Rickey Bros.

Please let me know if any enquiry was made by the Department to ascertain if Rickey Bros. had paid only \$300 on their account with Matthews before assuming responsibility for the balance.

DÉPARTEMENT DU SERVICE NAVAL,  
OTTAWA, 24 décembre 1919.

MONSIEUR.—J'ai reçu votre lettre du 20 courant concernant les paiements faits par le département à l'équipage du vaisseau de pêche *Thirty-three* du tiers des recettes provenant de la vente du poisson pris durant la saison de 1918.

Il a été convenu de payer cette part à l'équipage depuis 1916, avec l'approbation et sous l'autorité du ministre du département dans le temps, pour les raisons exposées ci-après:

"Que les opérations de pêche à la seine de mer, que l'on doit entreprendre durant la prochaine saison dans le but de localiser les bancs de harengs au large et de démontrer les profits possibles dans ce mode de pêche, entraîneront beaucoup plus de travail que celles qui ont été faites l'année dernière dans un but scientifique, que ce travail sera fait de nuit comme de jour par l'équipage durant toute la saison, et que le succès de ce travail dépend de la somme d'intérêt et d'énergie que l'équipage y mettra; c'est pourquoi un tiers du produit des ventes de la saison sera divisé entre les membres de l'équipage, en sus de leurs gages, comme encouragement à ce qu'ils se mettent de tout cœur au travail."

Le vaisseau a été conduit d'après cet arrangement durant les saisons de 1918 et 1919. Le vaisseau n'a pas fait de pêche en 1917.

Je demeure, monsieur, votre obéissant serviteur,

G. J. DESBARATS,  
Sous-ministre du Service naval.

A l'Auditeur général.

### Re contrat avec Rickey Bros. pour la construction de bateau de sauvetage pour le poste de sauvetage de Toronto.

BUREAU DE L'AUDITEUR GÉNÉRAL, 20 déc. 1919.

MONSIEUR.—Je désire attirer votre attention sur un paiement fait à A. Matthews Limited, Toronto, par le chèque 24,124 durant l'année terminée le 31 mars 1919, pour des réservoirs en cuivre entrepris par Rickey Bros. et devant servir pour un bateau de sauvetage entrepris par ces derniers pour le département.

Il appert que MM. Rickey Bros. n'ont pu remplir leur contrat et que le département a assumé la responsabilité de payer ces réservoirs.

La réclamation présentée par Matthews est de \$1,050, moins \$300 reçu en acompte de Rickey Bros.

Veillez me dire si le département a fait une enquête pour vérifier si Rickey Bros. ont payé seulement \$300 sur leur compte avec Matthews avant que le département ait assumé la responsabilité de reste.

Was any guarantee deposit made by Rickey Bros. on their contract?

I am, Sir, Your obedient servant,

E. D. SUTHERLAND, A.G.

G. J. Desbarats, Esq.,  
Deputy Minister,

Naval Service Department,  
Ottawa, Ontario.

DEPARTMENT OF THE NAVAL SERVICE,  
OTTAWA, January 14, 1920.

SIR,—With reference to your letter of the 20th December in the matter of payment made to A. Matthews Limited in the sum of \$750.00 for copper tanks contracted for by Messrs. Rickey Bros., in connection with a life-saving boat which the latter firm were constructing for the Department, I beg to advise you that full inquiry was made in respect of this account, and a statement was obtained from Messrs. Rickey Bros., confirming that they had paid only \$300, and that the balance, \$750, was actually owing to Messrs. A. Matthews Limited.

As regards a guarantee deposit by Messrs. Rickey Bros., I beg to advise you that the sum of \$750 was withheld from the first progress payment made to this firm in lieu of such guarantee.

I am, Sir, your obedient servant,

G. J. DESBARATS,

*Deputy Minister.*

The Auditor General,  
Auditor General's Office, Ottawa.

Y avait-il un dépôt de garantie pour le contrat avec Rickey Bros.?

Je demeure, Monsieur, votre obéissant serviteur.

E. D. SUTHERLAND, A.G.

G. J. Desbarats, Ecr.,  
Sous-Ministre,

Département du Service naval,  
Ottawa, Ontario.

DÉPARTEMENT DU SERVICE NAVAL,  
OTTAWA, 14 janvier 1920.

MONSIEUR.—En réponse à votre lettre du 20 décembre au sujet du paiement fait à A. Matthews à responsabilité limitée au montant de \$750 pour réservoir en cuivre entrepris par messieurs Rickey Bros., pour le bateau de sauvetage que cette dernière maison est à construire pour le département, j'ai l'honneur de vous informer qu'une enquête complète a été faite au sujet de ce compte, et un état a été obtenu de messieurs Rickey Bros., confirmant qu'ils n'ont payé qu'une somme de \$300, et que la balance, soit \$750, était réellement due à messieurs A. Matthews Limited.

Pour ce qui est du dépôt de garantie par messieurs Rickey Bros., j'ai l'honneur de vous informer que la somme de \$750 a été retenue du premier paiement fait à cette maison sur travaux en cours au lieu et place de telle garantie.

Je demeure, monsieur, votre obéissant serviteur.

G. J. DESBARATS,
